

## Nordic Centre in Shanghai: Your opportunities as a researcher, in one page

The following gives an overview of the services that Nordic Centre at Fudan University in Shanghai provides for researchers affiliated with its [26 member institutions](#). Please forward this to your colleagues so that they can learn about the services, funding opportunities, deadlines, facilities, and activities that Nordic Centre offers. You can visit our [website](#) for more detailed information – or write to one of our [staff members](#) with any questions.

### Funding for research stays (no deadline)

Nordic Centre provides funding for research stays in Shanghai for researchers at our Nordic member universities, and for Fudan scholars' stays in the Nordic Region. You can apply for this "research platform funding" at any time by sending an email to the Nordic Centre programme manager at [magnus@nordiccentre.net](mailto:magnus@nordiccentre.net). Please read the [call for applications](#) first for criteria plus application form.

### Services for visiting scholars

Nordic Centre has **office spaces for visiting scholars from member universities**, who come for stays of various durations. We help put visiting scholars in contact with relevant colleagues in China, give practical help on relocating here temporarily, and offer advice on a variety of circumstances to be aware of. Visiting scholars also get access to the academic resources of Fudan University, including access to online journals and the libraries of Nordic Centre and Fudan University. Please read our [Handbook for Visiting Scholars](#) for more detailed information. If you are interested, we can also organize public lectures for you so that you can interact with local researchers, students, and others interested.

### Seminars, workshops, conferences

*Funding for seminars, workshops and conferences (deadlines: **March 15 and September 15 every year**)*

[You can apply for funding of any amount between 2,000 and 7,000 euros to organize an academic event](#) to be held at Nordic Centre; in addition, every other year, 20,000 euros is allocated to a biannual conference. Priority is given to applications that involve researchers from more than one university. All academic disciplines are eligible. [See pictures of our facilities here.](#)

### Courses for your students

Nordic Centre can [tailor short courses in Shanghai](#) within your academic field, in close cooperation with you – at whatever level, including PhD. Write to us at any time with your ideas. We also offer the summer courses Chinese Politics and Society and Business and Innovation in China, for which each member university on the Nordic side is offered three places; the courses are much more affordable for students than comparable courses, and each grants 5 ECTS upon completion.
